Amazing stories of transformation and personal growth of our DigifyPro NG Graduates...

“

Adeola's 12 weeks work placement experience post DigifyPro Bootcamp was in Bluebird Communications from Dec 2018 to March 2019. She was retained and is now a full time permanent employee. She describes her DigifyPro experience as "Everything I learnt at DigifyPro, I learnt for free but it was thought as though I paid a million bucks for it. It was an opportunity like no other, I am grateful for where it has helped me reach and I am hopeful for even greater heights. I am saying a big thank-you to the DigifyNG Trainers, Industry Guest Speakers, Digify Africa and Facebook for this beautiful initiative to equip and empower youths in Nigeria. The world will hear of us and it is because of you."

Marvis' work placement experience post DigifyPro Bootcamp was in DKT International Nigeria a not-for-profit from Sept to Dec 2018. She was retained and is now a full time permanent employee of the organization. In Marvis' own words "Thanks to Facebook and Digify Africa for bringing this programme to Nigeria. If you are looking for where to learn more skills to add to your university degree, DigifyNg is where you need to be. And it's totally free. I acquired a lot of skills from Content Creation, Brand Management, Social Media Management, Basic Designs and soft skills that helped shape my life. I can now boost of adding value wherever I find myself. I will forever be grateful to DigifyNg for this amazing opportunity."
