**18:00 / PANEL DISCUSSION**

Smart Contracts - Use and applications. The Future is now. Why? How? Who?

Smart contracts have the power to change *everything*, from Finance to Logistics, from Legal to NGO work. Our discussion will focus on the latest developments in technology, who stands to benefit and why this is so critical. We'll also be discussing the often over-looked issue of adoption. Many of these solutions are already available, but few organisations have taken the step. How can we collectively increase accessibility and bring about meaningful change

**Moderator Agelique Mohring**, CEO & Founder GainX

**Graham Thomas Torpey** – Head of Strategy Modex
